

Nevada Telecommunications Association,

I am writing to thank you so much for the generous NTA customer scholarship that I received.

As you are aware, this scholarship will highly contribute to paying tuition for my upcoming education at Brigham Young University. One of my biggest worries about enrolling at BYU was how to pay for it. Thanks to you, I won't have to worry about my expenses as I pursue a bachelor's degree in psychology.

Again, I am incredibly thankful to you for awarding me this large scholarship. It was an answer to my prayers. I hope that I can make contributions to others' education in the future too.

Very much Thanks,

Sarah Polish

Dear Scholarship Committee,

I am writing to express my sincere gratitude for being chosen as a recipient of the John & Mary Christian Memorial Scholarship. It is a gift that will change the trajectory of my future education and the financial impact on my family. With three siblings who will also be attending college during the time I am, this scholarship will not only benefit me but my brothers, sister, and parents as well.

I will be majoring in English Studies and History or Art and Architecture and hope to go on immediately to graduate studies. This scholarship will help me make my plans happen. I cannot thank you enough for the opportunity to further my education with a reduced amount of financial stress.

Thank you again for your essential financial aid.

Sincerely,

Halle Feest
